SHADOWS ADVENTURES

My name is Shadow, but my servant calls me lazy or Shadno... I am your Typical cat. I do what i want, when I want it and where I want it. I am a 2 year old cat and live with my brother, servants and every now and then some foster kittens.

I help my servants with caring for the new fosters. For them I an the uncle who is most likely to misbehave. I will teach my fosters what not to do. but only by doing it...

I am a typical cat. I can be active but only when I want to be. Most of the time I lay in front of the window or on top of our scratching post. But I love to be just me and that means is have some things I do that my servants don't enjoy that much.

This means I am the one you should look at if you want fun things to happen. Want to know what things... Read my blog.

LOVE, SHADOW

On my website I write about my life. With me there ain't a dull moment ever. I try to give you an update of my life at least 4 times a week.

I also write product reviews so servants can buy the best things for their cat.

And on the page "let's talk cats" I am writing all kinds of interesting stuff about cats. you will find blogs with facts about cats, thins catservants recognise and information about why we do what we do.
